CHAPTER FOUR

SITUATIONAL/CRITICAL APPRAISAL

4.1 SWOT Analyses of the company

Strengths: Qualities that make organization stronger than others

e.g. new technology, quois, ATM, many branches spread across the country, generator services, security cameras

Weakness: These are those things that that can cause other organizations have an upper hand over your organization

- Spoiled ATM, punctuality of members, less branches, small members

Opportunities: These are the external factors that are helpful in achieving the organization's objectives.

- giant capital, interest rates, monopoly power, mtn office, taxation around, besides road, to main avenue, in city or town besides a patrol station besides buss stations etc

Threats: These are external factors that could damage the business performance of the organization such as

- Security, high delinquency, deficiency in capital, technology, inadequate collateral,

4.2 Assessment of the internship (lesson learnt)

What are things learnt

- How to prepare financial statements, balance accounts, create income statement
- Criteria to grant loans, who can obtain one etc.
- How to treat new members and register them by creating their accounts etc.
